

ADULT ORTHODONTICS

.....achieving simple excellence in practice

Prof Ama Johal & Dr Peter Huntley

Friday 30th June 2023

[9.00 to 15.45]

NEW FORMAT: HYBRID MEETING

“A great day with lots of useful clinical tips” [2022]

Course Aims:

This one-day popular course is now in its 8th Year and designed specifically for orthodontic specialists and 3rd year trainees, who wish to meet the challenges of treating adults in specialist practice.

Please note: knowledge in diagnosis and fixed appliance technique will be assumed.

“Fantastic course – very helpful” [2020/22]

Course presenters:

Ama & Peter are very well respected with over 25 years of clinical and teaching experience each. Both have presented in the UK and internationally on a variety of clinical subjects.

Venue:

BOS Headquarters [London] OR your own home. This 1-day program will be held again as a hybrid meeting, with places for in-person attendance limited to 35 and more available for the online format.

Course Overview:

This intense 1-day CLINICAL [6 hours CPD] course primarily focuses on:

- Treatment planning for adults
- Appliance choices
- Labial segment torque control
- Space creation
- Class II/III malocclusions
- Dozens of clinical tips
- Overbite reduction
- Periodontal combined care
- Restorative combined care
- Retention
